

SURF'S UP IN AFRICA

Wave Hawaii is going
TO AFRICA, DON'T MISS OUT!

Over 3 million children are orphans in Kenya because of AIDS/HIV.

WAVE Hawaii is partnered with Milele Family Homes Project, an unprecedented effort of the Christian musical group, Milele; they use their music to create awareness and make an impact:

- Cost-efficient, quality 3 bedroom homes are built & fully furnished.
- Pre-qualified Kenyan parents are selected to live in the home with their adopted children (3 to 6 children that have been orphaned by AIDS).
- The newly housed family must meet specific requirements (maintain household, be self-sufficient, provide a loving, holistic atmosphere for the children, etc.)
- Two homes per family: one home is for their residence & the 2nd home is a rental unit (rental income will insure that the family is self-sufficient & can provide for the physical & academic needs of their children)
- WAVE Hawaii raises the funds for land & building costs
- WAVE Hawaii will select & train youth to go on a mission trip to Kenya to build the homes (2-week trip)
- Youth are responsible to raise their own travel funds (\$3,000), undergo training & help build the homes

- ❑ **Financial Donation:** we need to raise funds to acquire the land, build/furnish 4 homes & to screen the couples. All donations are tax-deductible.
- ❑ **Missionary workers:** we're currently looking for youth (age 16-20) & adults to go on the mission trips. Applications are now being accepted for our upcoming mission trips.
- ❑ **Awareness:** help spread the word or coordinate a Milele Awareness concert at your church.
