## *Mission*

WAVE Hawaii is dedicated to creating environments and experiences where young people can passionately pursue a relationship with God.

**[www.wavehawaii.org](http://www.wavehawaii.org)**

In 2004 a small group of Christians with a heart for young people stepped out in faith and planned an all day event at Kualoa Ranch. Their vision was simple, to plan an all day summer concert event uniting young people on Oahu; leading them toward passionately pursuing a relationship with God and with each other!

Today, WAVE Hawaii is a non-profit, non-denominational, new generation ministry. We strive to bring young people together from all different faiths, to pursue and achieve spiritual and mental health by participating in positive, drug and alcohol free, spiritually grounded events and activities.

This year WAVE Hawaii is planning a huge Christian Music Festival to take place August 16th on the grounds of the Hawaii State Capitol. This event will bring young people together from all churches to fellowship, learn, and be inspired as future leaders in contemporary society!

Another exciting WAVE Hawaii activity this year is the launch of the Milele Family Homes Project! This project is a partnership that spans thousands of miles from Hawaii to Kenya, Africa! It connects children orphaned by the AIDS epidemic with new families; sending teams of young people to Africa to build homes for them.

Finally in 2008, WAVE Hawaii has initiated the development of a Christian youth events clearinghouse on their website so young people will have easy access to the variety of positive happening in their communities!
